

A Seasonal Break at The Star Inn!

The first verdant shoots of wild garlic in the hedgerows and woods appear from late February heralding the forthcoming arrival of spring with its gamboling lambs and drifts of daffodils. The countryside seems to become greener everyday as daylight hours lengthen and new, eagerly anticipated treats are also popping up on our menus.

It's a great chance to give your legs a bit of a stretch and fill your lungs with fresh North Yorkshire air to build up a good appetite for dinner!
