Rhubarb Fizz

Early season force-grown rhubarb from the famous Yorkshire Triangle is also known as 'Champagne rhubarb'. Inspired by this, we add English sparkling to get you in the pink!

Yorkshire 'Cosmo'

Our shorter, but perfectly formed, alternative celebration of the famous 'forced' pink sticks is the Harome Cosmopolitan comprising Rhubarb vodka along with Cointreau, Lime and Cranberry.

Yorkshire Negroni

Cocktailian legend has it that this drink was invented in Florence for the eponymous Count. At The Star Inn, it's made with Campari and Sweet Vermouth with Yorkshire Gin to give this classic Italian mix some local grounding.

Ed-spresso Martini

Edwards' Vodka and Edwards' Coffee Liqueur are combined with Espresso in this classic, but locally grounded Martini.

Hugo Spritz

Our springtime-flavoured Hugo comprises York Gin, Edwards Elderflower Liqueur, Mint and Soda in a very refreshing, seasonal spritz.

Other Classic Cocktails: Available on request.
